

Services to community pharmacies

All your accounting needs

Larking Gowen is a leading accounting and business advisory firm dedicated to helping your pharmacy business thrive. With years of experience and a deep understanding of the healthcare sector, we provide tailored financial solutions that meet the unique needs of your business.

We understand the complexities and regulatory requirements you face and offer insights and strategies to help you navigate them effectively.

We will provide you with a single point of contact; someone who knows about your accountancy affairs and can help you with any day-to-day queries.

Our costs

Your initial consultation is free. At this meeting, we'll provide you with a realistic estimate of our costs. We'd be pleased to meet you to discuss your personal situation and the range of services that we can provide for the pharmacy sector and you as an individual. We can arrange daytime or evening meetings to suit your needs. Please get in touch to arrange a meeting, without any obligation or cost.

Our services include:

Accounting and bookkeeping including use of cloud-based software

Analysis of your financial information including benchmarking

Payroll services

Tax services: we can help with both your company and individual tax planning, preparation, and compliance services

Help with navigating Making Tax Digital legislation and compliance

VAT: VAT returns for pharmacies can be complex and daunting. Accurate categorisation of expenses is essential. We can help simplify the process, optimise your monthly VAT reclaim and maximise cashflow for your business

Business advisory: advice on how to structure your business and strategic guidance to optimise your business operations, improve profitability, and achieve growth
