Carpets & Furniture Ltd

We have been working with Larking Gowen, and in particular Becky Ames, for a lot of years now and they have seen us grow over the last 5 years since our move to a new purpose-built store.

They have advised and supported us on various accounting subjects such as tax/tax returns, family partnerships, management accounting and our plans for the future growth of our business.

In recent months we have been discussing yearly budgeting and with Becky's help we will be putting this into practice shortly.

We have a very good relationship with Becky and her team, she is a pleasure to work with and we would not hesitate to recommend her or Larking Gowen.

Paul Vicary, Easy Mobility Services

Having previously used a small Accountants Company that merged with Larking Gowen, we were somewhat nervous of dealing with a larger Company, and losing the very personal approach we had been used to previously.

However over the past 10 years, there is no doubt we would not been able to focus on our business growth without the ongoing advise and personal support from Larking Gowen. Our growth from a relatively small business to where we are today came with several challenges from payroll to HMRC queries and all departments have provided us with accurate and professional advice for us to deal with all these issues.

Thank you for all your invaluable help thus far and look forward to the next 10 years.

David Hoy, Mayday

Over the past few years, our business has grown and developed quite extensively which has brought various issues with it along the way. Whilst the majority have been positive, it is without a doubt as a result of working with Larking Gowen, that we have been able to grow and develop the business to where it is today.

We feel that Larking Gowen really understands our business and works with us in helping us achieve our goals and, together with their all round knowledge, we now do not have to seek advice from various sources.

All in all, we are delighted with the professionalism and advice we have received.
